SOME TIPS TO HELP YOU GET READY FOR VACATION

- Keep your shades, blinds, and curtains in their normal positions.
- Put your mail and newspaper publications on vacation hold.
- Place timers on several lights throughout your residence. The timers should be programmed to turn on and off at appropriate times, this will give the appearance that someone is at home.
- Make sure all door and window locks are in working order and be sure to use them. Activate your home alarm if you have one.
